TERMS & CONDITIONS

Seats are sponsored on a first come, first serve basis. If sections are sold out before your sponsorship, we will contact you to discuss other options or issue a refund.

Seats are sponsored one at a time. If sponsoring more than one seat in the same section, we will do our best to ensure seats are grouped together, but can not guarantee sponsored seat locations.

The front section of seats will be installed on rails so they can more easily be removed for occasional special events. Eugene Science Center does not guarantee sponsored seats in the front section will always be in use.

Name sponsorships exist for the life of the seat. Eugene Science Center reserves the right to rename the seat should it need to be replaced in the future.

Sponsorship plaque size is 7/8" x 2.5", which restricts the number of characters that can be engraved on the plaque. Please ensure the name(s) listed are within the 30 character limit.

All sales are final. Seating installation will occur only after the full fundraising target for all seats is met, not on an individual basis.

I agree with the terms and conditions.
