A Season is defined as all **regular season home games** of the University of Oregon football team played at Autzen Stadium. The Spring Game and the Pac-12 Championship Game are **NOT** considered part of the regular season.

Parking rules & guidelines can be found on our website: eugenesciencecenter.org.

FREQUENTLY ASKED QUESTIONS

I parked at the Eugene Science Center last year/for many years. Am I guaranteed a parking space this year?

All of the Eugene Science Center lots are sold on a first-come, first-served basis and are open to both new and returning parkers. We anticipate high demand and encourage returning parkers to renew early.

Can I put my name on a list for a parking pass, but pay later?

No. Only payment in full reserves your spot for the season. If a lot is sold out, you may put your name on a waiting list to be contacted if a space opens up, at which time you would pay for the pass.

Can I cancel my parking pass?

Yes. Cancellations incur a \$25 processing fee, which is deducted from the refund amount. Both the parking pass and your Eugene Science Center membership card must be returned before the refund is processed, and must be returned prior to September 7, 2019. All refunds will be made by check. No cancellations can be made on the day of or after the first home game (September 7).

Are there delays exiting the parking area after games?

Yes, delays of 30 minutes are typical when exiting the Eugene Science Center parking areas. Pedestrian and bus traffic have priority. Further delays may occur on area streets. We appreciate your patience as you let our traffic controllers do their job.

When will I receive my parking pass?

Season parking passes are typically mailed in August, and are sent to the address provided at the time of payment. It is your responsibility to notify us of any address changes prior to that time in order to insure timely delivery. Eugene Science Center Parking Passes are processed completely independently of the University and will not be sent with your season tickets to the football games.

Can I give/lend my pass to a friend?

No. Passes are not transferable.

Is my payment tax-deductible?

The Eugene Science Center is a nonprofit organization and you may be able to take advantage of a tax deduction for a portion of your parking payment. Check with your financial advisor for details.

What are the other benefits of season parking at the Eugene Science Center?

Your participation supports science education for youth in our community and provides you with a one-year Eugene Science Center Family Membership, which can be used at our museum as well as many of the 300+ museums that participate in the ASTC network. Visit astc.org for more information.
