

When you see an EARTHQUAKE EMERGENCY ALERT on your phone, it is important to DROP, COVER, and HOLD ON NOW!

Color in "YES" or "NO" to answer the questions below.

When you see this alert on your phone, should you...

Finish baking cookies? Yes no

Walk your dog? Yes no

Get some snacks? Yes no

Look for a toy? Yes no

DROP, COVER, and HOLD ON now? Yes no

When you see an **EARTHQUAKE EMERGENCY ALERT** on your phone, it is important to **DROP, COVER, and HOLD ON NOW!**

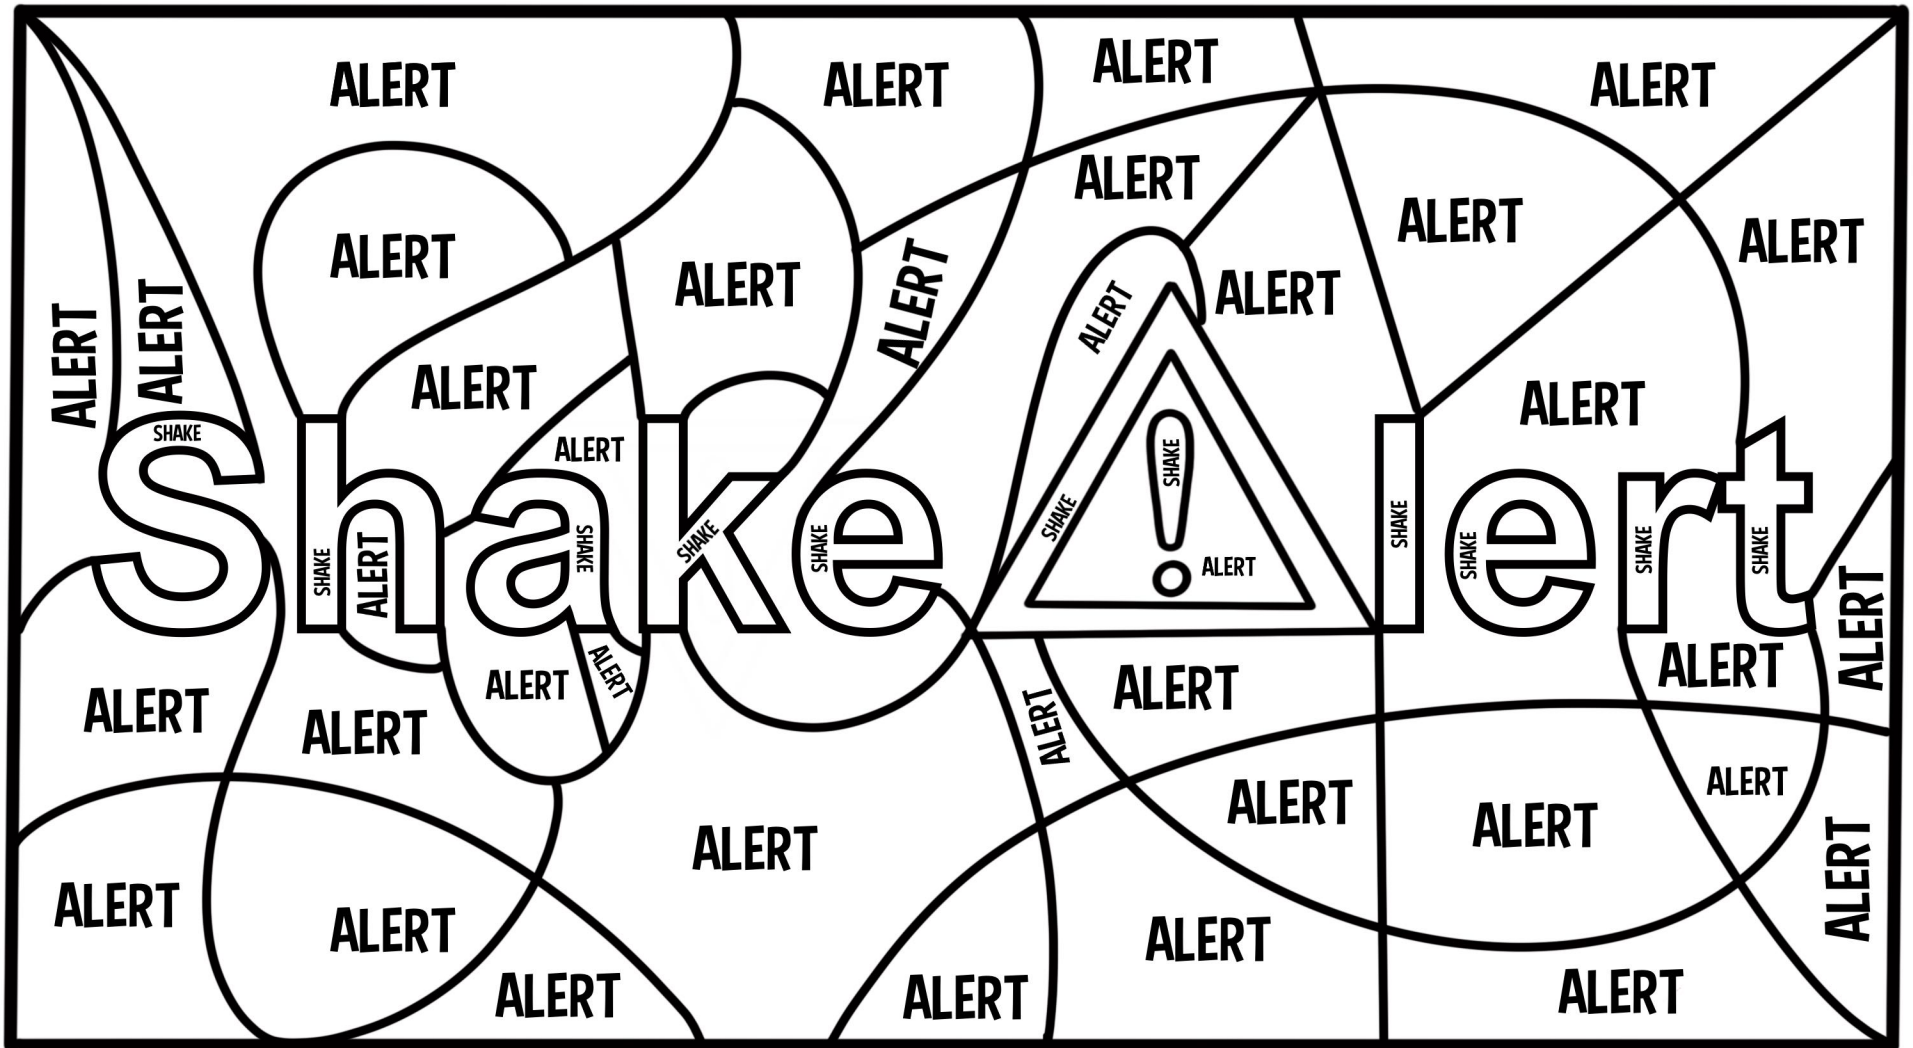

Emergency alerts may look different depending on your phone, apps used, and when alerts have been updated. Some important words to look for are: **DROP, COVER, HOLD ON, EARTHQUAKE, SHAKING, PROTECT, and MAGNITUDE.**

First, color the phones that show what a real emergency alert may look like and cross out phones which do not show emergency alerts. Then, underline the important words on each phone that are listed above.

If there is an EARTHQUAKE EMERGENCY ALERT on your phone, you must DROP, COVER, AND HOLD ON immediately! Practice recognizing important words by completing the activity below!

Color each part of the image above according to the key:

SHAKE: Green **ALERT: Yellow**

Color this page with colored pencils. Then, follow the directions at the bottom of this page to create a "fortune teller." Quiz your friends on their knowledge of earthquake preparedness.

	<p>An _____ is when the ground shakes</p> <p>Earthquake</p> 	<p>What should you do when the ground shakes?</p> <p>Drop, Cover, and Hold On</p> 	
<p>Earthquakes followed by more earthquakes are called _____.</p> <p>Aftershocks</p>		<p>When the ground shakes, should you run outside?</p> <p>No! You should Drop, Cover, and Hold On!</p>	
<p>When the ground shakes and you are in bed, what do you do?</p> <p>Turn on your stomach and cover your head and neck with a pillow.</p> 	 <p>9-1-1</p>	<p>If you see an EARTHQUAKE EMERGENCY ALERT, should you bake cookies?</p> <p>No! You should Drop, Cover, and Hold On!</p>	<p>If you see an EARTHQUAKE EMERGENCY ALERT, should you go find a snack?</p> <p>No! You should Drop, Cover, and Hold On!</p>
	<p>What number should you call in an emergency?</p>	<p>If you see an EARTHQUAKE EMERGENCY ALERT, should you bake cookies?</p>	

Cut out the square

Fold the square diagonally both directions

Unfold it and turn it upside down

Fold all 4 corners up so the points touch in the middle.

It should look like this. Flip it face down.

Now fold up all 4 corners to the center again.

Now your square is small like this.

Fold it in half.

Put your fingers in the 4 corners. Push out each pyramid until 4 points are formed.
