A Season is defined as all **regular season home games** of the University of Oregon football team played at Autzen Stadium. The Spring Game is **NOT** considered part of the regular season.

Parking rules & guidelines can be found on our website: eugenesciencecenter.org.

FREQUENTLY ASKED QUESTIONS

Am I guaranteed a specific parking spot?

No. Your parking pass guarantees you a spot in the parking area that you have chosen (SF1, SF2, etc.) but not any particular spot within that lot. Vehicles are parked on a first-come, first-served basis on game day. Patrons with a pass for the special SF1 Reserved Areas (South/Path or West/Drive) are guaranteed a spot somewhere in the Reserved Area row, but not any particular spot in the row.

Can I cancel my parking pass?

Yes. Cancellations incur a \$25 processing fee, which is deducted from the refund amount. Both the parking pass **and** your Eugene Science Center membership card must be returned before the refund is processed, and must be returned prior to September 1, 2023. No cancellations can be made on the day of or after the first home game (September 2).

Can I give/lend my pass to a friend?

No. Passes are not transferable.

When will I receive my parking pass?

Season parking passes are typically mailed in August, and are sent to the address provided at the time of payment. It is your responsibility to notify us of any address changes prior to that time in order to insure timely delivery. Eugene Science Center Parking Passes are processed completely independently of the University of Oregon and will not be sent with season tickets to football games.

Are there delays exiting the parking area after games?

Yes, delays of 30-45 minutes are typical when exiting the Eugene Science Center parking areas. Pedestrian and bus traffic have priority. Further delays will occur on area streets. We appreciate your patience with traffic control staff and authorities as they do their job to help you and the other 50,000+ football fans safely get to and from the game.

Is my payment tax-deductible?

The Eugene Science Center is a 501(c)(3) nonprofit organization and you may be able to take advantage of a tax deduction for a portion of your parking payment. Check with your financial advisor for details.

What are the other benefits of season parking at the Eugene Science Center?

You become a supporter and member of Eugene Science Center! Your payment supports hands-on science education for youth and families in our community. You also receive a one-year Eugene Science Center Family Membership, which can be used at our museum as well as the 300+ museums that participate in the ASTC network. Visit astc.org for more information and a list of participating museums. Eugene Science Center members get discounted rates for all ESC programs, including camps and classes; special events; and in the museum store.

2023 UO DUCK FOOTBALL SEASON PARKING PASS REGISTRATION

Complete the form and return it with your check or credit card information.

ON THE WEB: We offer an online purchase option through our secure donation website. If you are purchasing a **CAR/regular vehicle** pass (not RV) and are not applying for the UOAA Member Discount, you may visit the Support / Duck Football Parking section of our website at eugenesciencecenter.org to buy your pass.

Business (if applicable): _____

Name _____ 2nd Name (for ESC Membership) _____

Address _____ City _____ State _____ Zip _____

E-mail _____ Phone _____ Cell Home Work

We use an email list to notify parkers of schedule changes and other important game day information throughout the season. We encourage you to provide your email address so that you can receive timely updates. We do not sell or trade our email lists, but you will receive other, non-parking related emails from the Eugene Science Center, including program information and fundraising appeals.

PARKING LOT PREFERENCE

If space in your preferred lot is not available, your payment will not be processed and you will be contacted by Eugene Science Center staff regarding your options.
